State Fund is offering extended credit terms to policyholders who are experiencing business disruptions due to wildfires in Butte, Lake, Mendocino, Napa, Nevada, Orange, Sonoma, and Yuba Counties as well as in other areas named in emergency proclamations issued by Governor Edmund G. Brown Jr.

If you have clients who are unable to report their payroll figures or submit timely payments because of the fires, you or your client can request a 30-day credit extension by contacting State Fund at our Customer Service Center number at (888) 782-8338. We will work with you to accommodate your customers' needs.
